# About Us

**Patel Hardware Products** is one of the most reputed and established Precision Brass & Stainless Steel Components Manufacturer, supplier & exporter. Providing services to the very best reputed organizations in India as well abroad countries. We are Manufacturing Precision Brass Components for various Fittings like Architecture, Furniture. Hardware & Glass Fittings etc.

The years of experience and excellent Quality consciousness has made its own name in the File of Precision Brass Parts manufacturing and supply

We welcome you to share a healthy long term business relationship with us.

## Our Vision

Brass as metal is known to mankind since starting of civilian, yet we at **Patel Hardware Products** believe we all are not able to find all effective application of it.

We will be trend seer in Brass Processing Industry by archiving zero (tolerance) adverse effect on environment and zero defect on product.

## Our Mission

Innovation has great importance at **Patel Hardware Products**

The growth of Patel Hardware Products is because of its tremendous innovations and its able to maintain its leadership in the Brass industry.

There are numbers of manufacturers in the area of Brass in India & Abroad we would like to grow not just with quantity but Quality and would like to become one among the best in manufacturing Brass Components. Only the quality products will make Patel Hardware Products as GLOBAL LEADER.
